### 6. Purple Studio

Comparatively newer on the list, the Purple Studio speaks of what the Millenials want. With a much more elaborate designing process and the more recent trends and styles that you wish to incorporate into your home or working space, this design studio is the new shade of colour on the block. Their customer satisfaction motto allows for the utmost assistance to every vision that you might have seen. Their will to experiment in an ordinary setting is what sets them apart. This studio in the heart of Delhi retains the material's quality and your individuality in each of their designs, and we know that just like us, even you can't wait to try them already.

Where | Purple Studio - E-358, Lower Ground Floor, GK II

Call Them | [+91 11 4058 1389](tel:+911140581389)
